

## Logo Design Option 5

**Company:** Circus of The Scars

**Color Scheme:** Limited **Region:** Traveling; USA and Mexico

**Demographic:** 18 +

**Tagline:** Classic Freakshow

### Requirements:

- "Circus of the Scars" text must be a prominent feature of the overall design.
- Black, White, and Three solid colors** is your limit. Color costs money.
- The design should reflect a sense of edgy, alternative adventure
- Colors should be contrasting and attention grabbing, reflecting the overall feel of the show.
- The tagline must be included in a manner that fits with the overall design
- The overall drawing must be clean and crisp, reflecting professionalism, as well as reflecting what a freakshow actually is to the casual potential customer.

### Overview:

This is the reincarnation of the old traveling freakshow group known as "Circus of the Scars". The members of this performing troupe are professionals who have unique or grotesque physical talents. They perform within traditional tents and stages.

Some of the different acts include the human pincushion, nails up the nose, getting shot with a cannon ball, extreme contortionist, eating glass, etc. Do some research.
