

In square number 1, draw **ACCURATELY** the still life you see below. The size proportion should be nearly the same, **NOT** tiny & floating in the middle of the box.

1.

In boxes 2 & 3 you need to draw your own Still life shape using 4 or 5 different shapes. It needs to have:

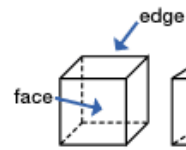

- Overlapping forms
- Correct perspective
- Shadows from a defined light source

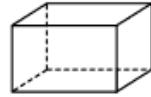

2.

In boxes 2 & 3 you need to draw your own Still life shape using 4/5 different shapes. It needs to have:

cube

rectangular prism

sphere

cone

cylinder

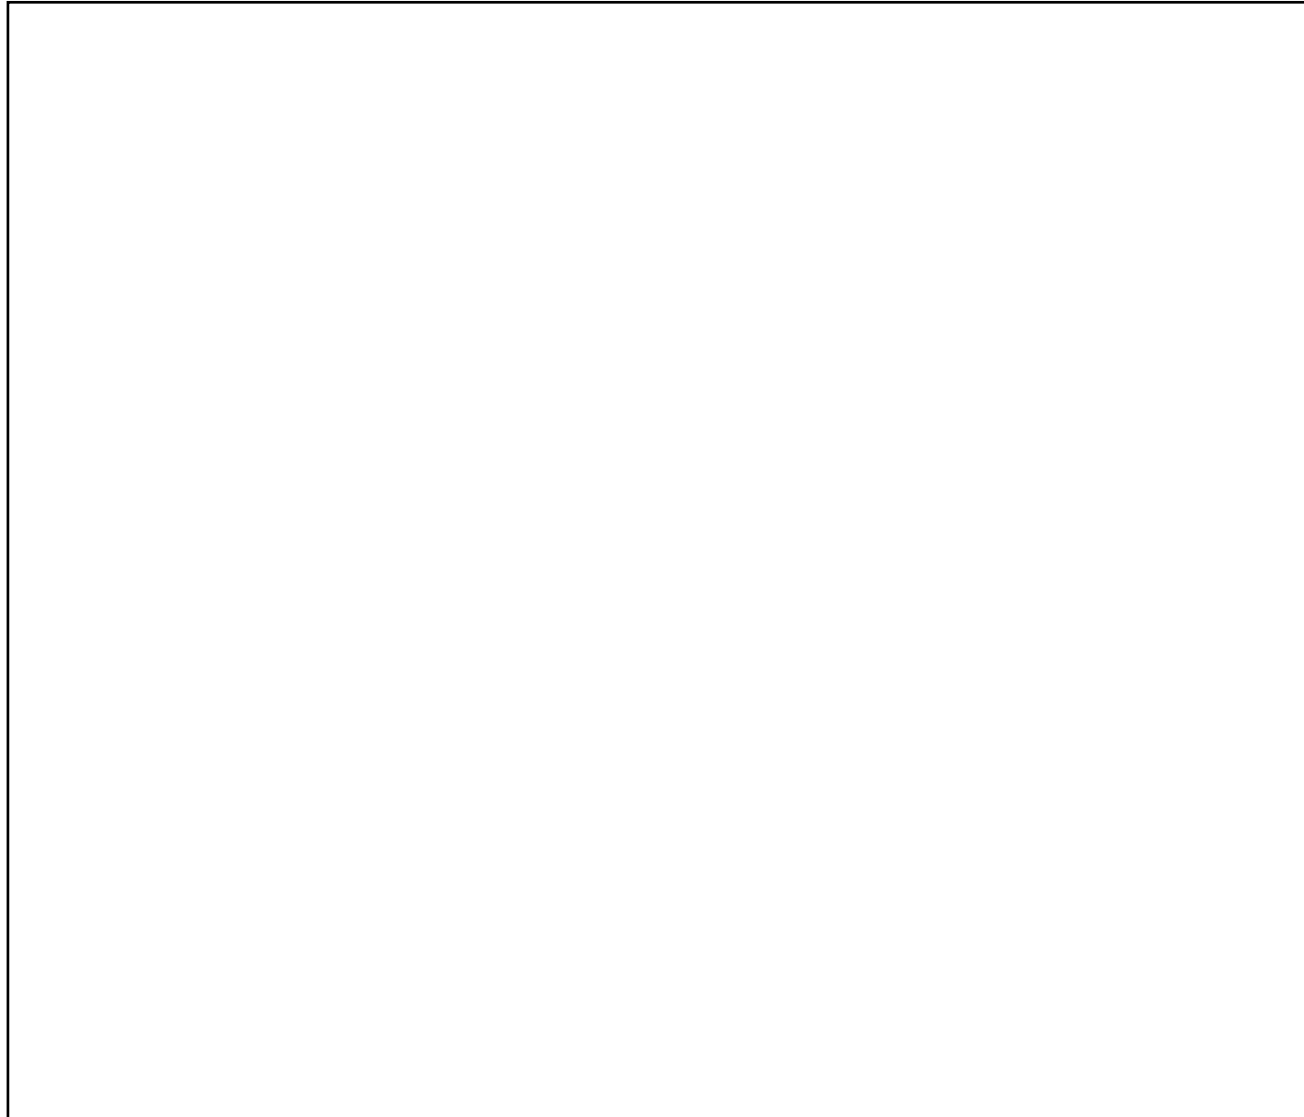

pyramid

- Overlapping forms

- Correct perspective

- Shadows from a defined light source

3.
