

## Evaluation Points of Emphasis

**Surrealism – An art movement that began in the early 20', where artists painted unnerving, illogical scenes with photographic precision, created strange creatures from everyday objects, and allowed the unconscious to express itself**

### Creativity of composition. 25 pts

Has the student incorporated the concept of "surrealism" into their final idea? Is the composition unique and not plagiarized, and does it have a high degree of "**visual interest**" (multiple visual focus points).

### Drawing Accuracy and Presentation 25 pts

How well is the final scene rendered in terms of **technical proficiency**, differing proportions, and realistic depictions of surreal objects? Has the student employed both proper inking techniques and colored pencil techniques?

### Value Range 25pts

How well did the student incorporate the full range of value(s) into their work, creating three dimension and depth throughout the drawing.

### Composition Detailing and Craftsmanship 25pts

Did the student fill the page to an appropriate degree, and does the final work reflect careful planning, and a high degree of detail that reflects completion. Surrealism requires a high level of effort and craftsmanship, how well was this demonstrated by the final work?
