

Spring Thematic Painting

Develop your own original imagery for a painting
That celebrates or illustrates an aspect of the spring
season

You will be using a
Portrait style for your
painting

You may use any type of paint you wish.

Watercolor
Watercolor Pencils
Tempera

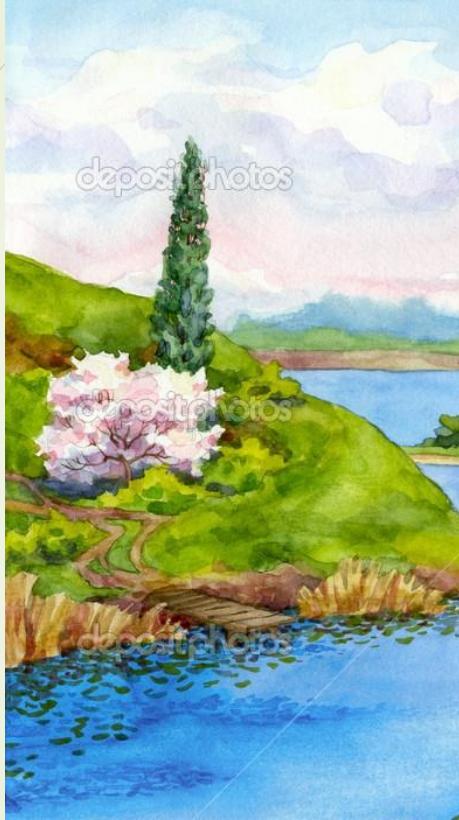

Pick the media you
Feel you work best
with

You can use a photo reference if you want, or combine parts of different photos Together to make something new.

Choose colors and imagery that convey a bright optimistic feel, since this is spring after all!

Include lots of value and contrasts, to make your work seem vibrant and engaging to the viewer

Your work surface will be smaller than usual, which requires that you work in greater detail, and have a very good sketch to help you along
