

## Still Life with Design Background

### Before you start:

- Finish your drawing packet with an emphasis on drawing the basic still life shapes properly, shading, and overlapping objects
- Turn in your packet for evaluation, it will be returned quickly.

### Painting Process:

- Get a piece of **12 x 18 painting paper** from the teacher
- Create a Horizon line that is slightly below the halfway point of your paper
- Lightly sketch a still life that has a minimum of Four objects
  - o Must illustrate at least two objects overlapping
  - o Should be drawn in three dimension
  - o Should be balanced

- Objects should not be too small
- Feel free to get creative with how your objects are placed (stacked etc)
- Sketch out a basic, or complex, design for the background that you will fill with a color scheme of your choice.
