

Surrealism

What is Surrealism

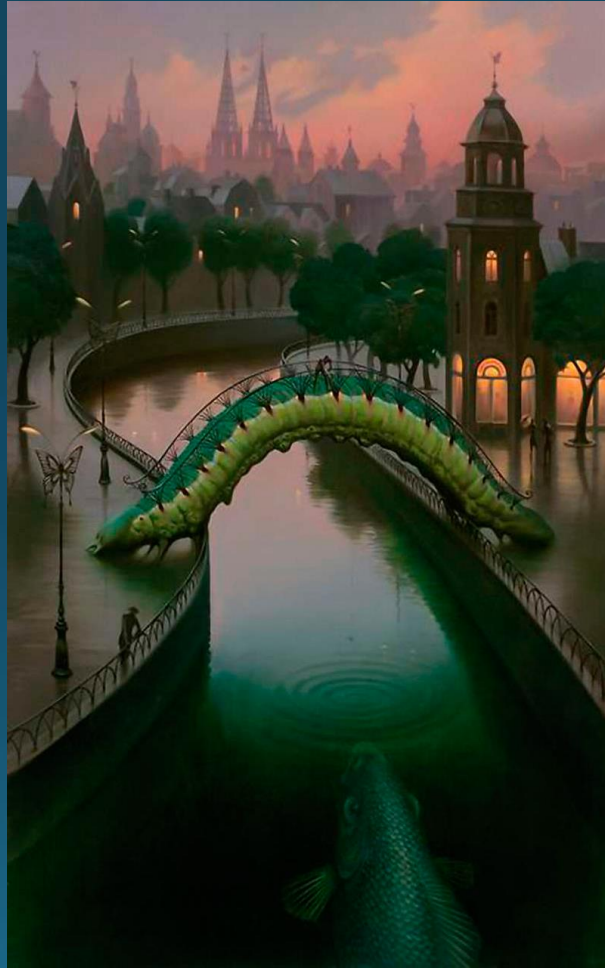

- An Art Movement that wanted to release the creative potential of the unconscious mind

Often incorporates Dream-like imagery

Realistic imagery presented in a distorted, unrealistic manner

Your Assignment:

Create a quirky landscape or combination of things you might see in your mind while sleeping/dreaming.

This should NOT look like a cartoon, things should be drawn well, but it can be un-real.

You can combine ink/sharpie with your watercolor if you choose.

Also Watercolor pencils for details
