

Pick one mouth to draw from A-B, C-D, E-F, and G-H
You will have a total of Four mouth drawings

A.

B.

C.

D.

E.

F.

G.

H.

On this page I have drawn mouths in a range of smiling postures which typically feature in portraits. Note that the teeth are barely drawn, with little attention paid to minor details of little significance. The lips of elderly people (the two drawings at the bottom) are often thin, and furrowed by a number of vertical wrinkles.
